

# The smart CMS for global enterprises

Intelligently connecting people, processes and information and ensuring your content is ready for the future

PARTNER

AAAtraq®

World's first service to combine automated compliance software with litigation support and costs coverage, enabling organizations to manage accessibility compliance risk

PARTNER SOFTWARE

ACM / Accessibility Content Manager

Innovative AI software that removes the complexity and 95% of the costs in delivering accessible website content

## Tridion + ACM by AAAtraq:

Compliant, accessible content across hundreds of websites at a fraction of the usual cost

### Are you struggling with...

- Ensuring compliance with complex technical accessibility standards?
- Prohibitive timescales and costs of remediating large volumes of content?
- Ensuring staff are adequately trained and supported in publishing accessible content?

## We can help!

### With Tridion as your content management system + ACM by AAAtraq, you can...

- Instantly identify accessibility failures on a webpage with intelligent automation
- Minimize the need for expertise or training thanks to the accessibility standards built into ACM
- Empower almost anyone to make content accessibility fixes in seconds with accurate on-page AI suggestions

### With Tridion + ACM by AAAtraq, you can expect...

- 95% reduction in time and costs to deliver accessible content
- 99% reduction in complexity
- Reduced litigation risk and better support for DEI commitments
- Better, faster content and support for devolved publishing models
