## Certification Exams

The SDL Certification Program is the industry's premier technology based certification which provides a tangible, recognized standard of excellence in SDL software knowledge.

SDL Certifications are a reliable validation of training and experience that can improve your productivity and enhance your credibility and professional development. Each SDL Certification signifies a benchmark of experience and expertise recognised by global organizations.

For further information on SDL TRADOS and SDL MultiTerm Certification please visit:

<http://www.sdl.com/en/sites/sdl-trados-solutions/training/certification.asp>

Prices per attendee per exam.

Exams are 40 minutes in duration. Each exam is 40 questions and a score of 75% or higher is required to pass.
